Vision

The Harrisville-Wells Memorial School believes in diversity and well-being. We seek to empower students to independently solve problems, collaborate and communicate respectfully, take academic risks, and to develop a positive growth mindset.

Mission

Knowledge and responsibility for today and tomorrow.

School Goal

Harrisville-Wells Memorial School is a community dedicated to maintaining a positive culture in which everyone feels respected, safe, and valued.

General Overview

The 2020-2021 school year provided HWMS with an opportunity to transform our current instructional models and introduce students to a new world of hybrid and remote learning. This year, HWMS has been grateful and excited to return to school in person and celebrate our strong, healthy community.

Throughout the 2021-2022 school year, Harrisville Wells Memorial School is working to rebuild and strengthen our 'Falcon Family', while attempting to uplift others during these unprecedented times. In October, the students, staff, and volunteers hiked the beautiful Harris Center trails. Later, we gathered to commence a new school tradition and celebrated the Winter Solstice with outdoor, all-school activities. Family conferences occurred in person, and we welcomed back school enrichment opportunities such as craft, chess, and writing clubs.

As we embraced new HWMS staff and scholars, students readily modeled and shared our social norms: *safe, respectful, and responsible*. Each school event and instruction reinforced these standards and highlighted the importance of kindness, compassion, empathy, and inclusivity. Students and staff have developed a common language, universal expectations, and service projects, spotlighting organizations and individuals who exemplify our school values. Students celebrated International Peace Day and secretly spread compassion throughout Harrisville in honor of World Kindness Day. They readily collected donations for our servicemen and women and partnered with UNICEF to provide global support.

The HWMS community is excited to again welcome families and visitors to our building and we appreciate your care during these unique times. We hope that our school can continue to share our love of learning, academic accolades, and sense of community with our Harrisville neighbors.

Recent facilities projects have enhanced the school grounds' safety, integrity, and appearance.

- The Health Department recently conducted its inspection of the HWMS Kitchen. No corrections were required. Mrs. Silk consistently works to keep the area sanitary and safe.
- New turbo vents were installed on the roof along the old wing of the building. This project was completed using the Capital Reserve Fund and improved air circulation, especially during the warmer months.
- The boiler filler and unit were repaired.
- The phone system was upgraded to be compatible with the ten digit New Hampshire requirement.

Community Support

The HWMS Parent Teacher Organization has been actively supporting our students and staff. Their annual fundraisers, a clothing drive and online school store, was again successful and well supported by the community. They have contributed to school celebrations and will once again be sponsoring the Reading Incentive and Teacher Appreciation Week.

Harris Center, Hancock, N.H.: The students at Harrisville-Wells Memorial School have been involved in a partnership with the Harris Center for Environmental Conservation and Education.

This fall, HWMS teachers embraced outdoor learning. Each staff member partnered with a Harris Center naturalist to provide place-based science lessons for all students.

Co-Curricular

Mrs. Dery facilitates an after-school writing club for students interested in developing their written language skills. Club meetings include creative writing prompts, sharing writing projects, and experimenting with different styles or genres.

We hope to hire a director and staff to run an after-school program once again. This structured opportunity is a fun and safe environment designed to keep children active and healthy.

The school building has been rented for other co-curricular events and community organizations, such as the local Girl Scout chapter and the Morris Dancers.

Special Recognitions

Harrisville-Wells Memorial School would like to celebrate, recognize, and offer our gratitude to the following individuals for their tireless support of our school community. We would also commend our students, families, staff members, and town officials, first responders, and residents for their support. We are humbled and grateful for your support and kindness.

Pandemic Update

In March of 2020, life as we knew it shifted with the onset of the pandemic in the United States and around the world. We saw the closure of schools statewide as well as throughout the country, a shift to remote learning with little to no advanced warning, followed by the start of a new school year in a hybrid learning model for most of our schools. Daily screening, mask wearing, social distancing, and an emphasis on proper hand hygiene all became a part of the everyday routine for our students, staff and families. We faced each challenge head on with a dedicated staff that refused and still refuses to give up. Our teachers and administrators thought outside the box, taught outside the building and gave their all to ensure that learning continued. As we come upon the halfway point of the third school year impacted by the global pandemic, our students, staff and families continue to persevere.

Blizzard Bags

Throughout the pandemic, we have needed to respond to a number of logistical issues that have arisen along the way. One of these practices was utilizing Blizzard Bags during inclement weather when school would typically be cancelled. Blizzard Bag days allow for remediation, academic conferences, and ongoing unit discussions. A benefit of utilizing a typical snow day in this format is that the day did not have to be made up, thereby not needing to extend the school year. All districts in SAU 29 have approved the use of Blizzard Bags with each school outlining their respective process in advance to parents and students.

ESSER (Elementary and Secondary Schools Emergency Relief) Funding

The purpose of the ESSER fund is to provide districts with emergency relief funds to address the impact COVID-19 has had and continues to have, on elementary and secondary schools that are providing educational services and developing plans for the return to normal operations. The ESSER grant provides districts considerable flexibility in determining how best to use ESSER funds. Funds may be used for a wide variety of purposes, which must fall under the allowable investments outlined by federal guidance.

An important parameter of this ESSER funding is that our investments must be accomplished within the allowable time frame set forth within the ESSER federal grant, which is 2020-2024. Any positions, technology software, or facility project that will require continued investments to maintain, will ultimately be an expense to taxpayers. Therefore, it is crucial to think twice about the investments for which this ESSER federal funding is used so that there are no significant fluctuations to local district budgets once this ESSER federal funding expires.

Currently, SAU 29 has identified the following initiatives and areas of investment: Instruction, Support, Technology and Facilities. Initiatives in instruction include an investment in innovative best practices to enhance a culture of learning, such as but not limited to, play-based learning, outdoor education, and

community building. Support initiatives include social-emotional learning opportunities such as counseling, mental health, wellness resources for students, staff and families. Technology investments include software and hardware to aid in curriculum development and alignment for students. Facilities upgrades include indoor ventilation to meet pandemic air quality standards.

A stakeholder survey was sent out August 23, 2021 and garnered 224 responses across all districts helping to inform the determination of where funding could best be allocated.

The Harrisville School District was awarded ESSER II & III funding in the amount of \$102,154.62.

Central Office Update

There were several staffing changes at the Central Office in 2021. Assistant Superintendent Dorothy (Dotty) Frazier retired at the end of June following a 37-year career in teaching and administration with SAU 29. This fall, we paid tribute to Mrs. Frazier's dedicated service to the students and families of SAU 29 by naming the Keene Middle School auditorium in her honor. It was a fitting tribute given Mrs. Frazier's involvement in the establishment of the Keene Middle School located at 167 Maple Avenue. On July 1, 2021, we welcomed Dr. Ben White as Assistant Superintendent. Dr. White served as teacher and principal in Vermont before joining SAU 29. Dr. White oversees the Keene elementary schools as well as Harrisville, Marlow and Nelson schools.

Mary Laliberte joined the SAU 29 Business Office in October 2021 as an administrative assistant. Mary previously worked at a mortgage company in Chesterfield. As the calendar year came to a close, we said goodbye to Sharon Rhoades in Human Resources. Sharon retired following a combined 30-year career in the Keene School District and SAU 29. We also said goodbye to Liz Dunn who served as Special Education Administrator for the town districts for the past 8 years. The hiring process is underway to fill both positions.

SAU 29 is continually looking for qualified substitutes. The daily substitute teachers, nurses and support staff in SAU 29 provide critical services to help maintain safe and effective learning environments. In the fall of 2021, SAU 29 announced increases to daily pay rates as well as a bonus incentive program based on completion of a qualified number of full-day substitute assignments. As is the case with neighboring school districts and area businesses, SAU 29 is battling a challenging workforce environment in order to fully staff our buildings.

**Harrisville School District
Annual Meeting Minutes
March 06, 2021**

Due to the Covid-19 pandemic the Harrisville Annual School District Meeting was held separate from the Town Meeting this year. The meeting was held in the gymnasium of the Wells Memorial School on Saturday, March 06th, 2021 at 9:00am. Chairs were placed at least 6 feet apart and masks were required. Voting for the election of school district officers was held on Tuesday, March 9th in conjunction with the Town of Harrisville election of officers.

Moderator, Philip Miner, called the meeting to order at 9:00 am.

Moderator, Philip Miner led the attendees in reciting The Pledge of Allegiance.

Moderator, Philip Miner introduced himself as well as School Board Members: Erik Anderson, Claire Gargan and Melody Moschan; School District Clerk, Bonnie Willette and Treasurer, Kathryn Miner. He also introduced WMS Teaching Principal, Kate Shanks, SAU29 Superintendent of Schools Robert Malay, Assistant Superintendent, Dotty Frazier and Business Manager, Scott Lazzaro.

Moderator, Philip Miner reviewed the rules of the meeting.

Meeting proceeded.

Moderator Phil Miner asked for a motion from the floor to waive the reading of last years' Annual Meeting Minutes.

Motion was made by Erik Anderson and seconded by Roshan Swope.

Motion carried by voice vote.

Article 1 To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

There were no reports.

Motion was made by Erik Anderson and seconded by Eric Swope to pass over Article 1.

Motion carried by voice vote.

Article 2 To see if the district will vote to raise and appropriate the amount of \$2,187,462 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

Motion made by Erik Anderson and seconded by Claire Gargan to accept Article 2 as read.

Erik Anderson reviewed the budget pointing out that the School Property Tax Increase will equate to \$41.22 on a house assessed at \$100k. This increase of \$61,649 was the result of several factors – a 19% increase in retirement funding due to cutbacks by the State of NH, a 6% increase in Health benefits, and also an increase of students being sent to Keene Middle School next year which increases tuition costs.

Resident Kelly Byam asked Erik Anderson to explain the increase in School Services – Guidance. Erik Anderson explained that the position went from PT to FT and now included benefits. However, it is now a shared position with the Nelson School and Harrisville actually receives 40% back that would go against that expense. This change was made in an effort to retain consistency for the children in the Guidance Department.

Article 2 PASSED by voice vote.

Article 3 To see if the school district will vote to raise and appropriate the sum of \$15,000 for building repairs and authorize the withdrawal of \$15,000 from the Const. Bldg-Grounds Wells Memorial Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School created for that purpose. Recommendations Required. (Majority vote required)(The School Board Recommends this article)

Motion made by Eric Swope and seconded by Erik Anderson to accept Article 3 as read.

Erik Anderson explained that this is procedural in nature.

Article 3 PASSED by voice vote.

Article 4 To see if the school district will vote to raise and appropriate the sum of \$5,000 to be added to the Const. Bldg-Grounds Wells Memorial Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School. This sum to come from June 30 fund balance available for transfer on July 1. No amount to be raised from taxation. Recommendations Required. (Majority vote required)(The School Board Recommends this article)

Motion made by Eric Swope and seconded by Erik Anderson to accept Article 4 as read.

Eric Anderson explained that they continue to build up the Out-of-District Tuition Fund for future use if necessary.

Article 5 PASSED by voice vote.
